§17–401.

- (a) In this subtitle the following words have the meanings indicated.
- (b) “Free-play console machine” means a machine that:
  - (1) has a backboard that displays combinations of numbers or symbols;
  - (2) has 2 or more reels that spin on the insertion of 1 or more coins or tokens; and
  - (3) when the reels stop on combinations that match those on the backboard, rewards the player with a specified number of free games, allowing the player to continue to play the machine without inserting additional coins or tokens.
- (c) “Free-play pinball machine” means a machine that:
  - (1) on insertion of 1 or more coins or tokens, releases 1 or more balls for the player to propel by a plunger; and
  - (2) if the player gets a certain score or combination of numbers, rewards the player with a specified number of free games, allowing the player to continue to play the machine without inserting additional coins or tokens.
